Support from children, family, and influential connections further enhances progress, making this period one of achievement, stability, and forward momentum.

Ascendent Lord Prediction

Ascendent Lord

The year ascendant lord is called Varsh Lagnesh. It is one of the important planets amongst the five year lords. So the good or bad events of the year are influenced by ascendant lord. Particularly the health, work and luck of the native are affected by this. If Varsh Lagnesh is full of Panchavurgi bala and is aspected by benefic planets and is placed in kendra then it gives out great pleasure and wealth, minimizing all ill-effects simultaneously.

Ascendent Lord Prediction
